## Notice of Water Service Interruption

Harrisonburg, VA – The City of Harrisonburg Public Utilities Department will temporarily shut down water service in a certain area tomorrow.

On Friday, September 20 from 7:30 a.m. until 9:30 a.m. water service will temporarily be unavailable for some residents who reside on Collicello Street, from Gay to Second streets.

This water service interruption is necessary to restore service to a fire hydrant, which is located on Collicello Street.

The Public Utilities Department started working on this site at the end of June to replace approximately 1,000 feet of the existing clay sewer line with new pipes made from PVC material.

All construction for this project is anticipated to be complete by the end of October.

Residents with questions may call the Public Utilities Department at 540-434-9959.

*The **Harrisonburg Department of Public Utilities** is responsible for providing water and sewer services to residences and businesses. The Department currently manages approximately 16,000 accounts. For more information about these functions of the city, visit [www.harrisonburgva.gov/public-utilities](http://www.harrisonburgva.gov/public-utilities).*
